

BOOK A FIXED-PRICE MOVE FOR COMPLETION DAY

Your completion date is set — book your move.

Book a fixed-price move for completion day at movesmith.uk. You see the full price before you book, and Movesmith handles the booking, payment and updates on the day. Plan a move anywhere in the UK: we confirm a suitable moving team before you book.

01

Book in minutes

Enter both addresses, your completion date and what you are moving. You see a fixed price before you book, not an hourly estimate.

02

Moving on completion day

Book as soon as your completion date is agreed. Ask your conveyancer and estate agent when keys will be released, and add parking, lift or access details to your booking.

03

If completion moves

Change your date from your confirmation page as soon as you know. The first change has no administration fee with 48 hours' notice or more; later changes, or less notice, carry one. The price for the new date may differ, and you see it before you confirm.

YOUR CONVEYANCER'S REFERRAL CODE

Type this code when you book, or use the link your conveyancer sent you.

ABOUT REFERRAL FEES

Movesmith pays referral partners £30 for a completed home move and £10 for a completed man-and-van job booked with their code. Some conveyancers choose not to take a fee. A conveyancer who does receive one must tell their clients. The fee never changes the price you pay, and you are free to book any mover you choose. Your move is with Movesmith, not your conveyancer: contact us with any question about it.

Movesmith is a UK-wide removals marketplace. Questions about your move: hello@movesmith.uk. Full terms at movesmith.uk/terms.
